Re: Disadvantaged Business Enterprise (DBE) Certification
Approved Application

Dear Karen Tucci,

Congratulations! Your application for DBE certification has been approved. Your firm can now be considered toward statewide DBE goal credit when performing a commercially useful function on federally funded contracts and will be listed in the Texas Unified Certification Program directory with the following work categories.

Texas Work Category: Miscellaneous Services

NAICS Code: 541611 – Administrative Management and General Management Consulting Services

NAICS Code: 541690 – Other Scientific and Technical Consulting Services

To ensure that your certification remains valid, please visit the Diversity Management System (DMS) at <https://txdot.txdotcms.com/> to periodically review your account information and complete the Annual Update Affidavit. Failure to maintain accurate records related to ownership, management control, and contact information could result in decertification. If you experience technical difficulties with DMS please click on the “Contact Us and Support” link on the DMS homepage.

All firms must be registered with the Secretary of State to do business with TxDOT. Firms identified as the apparent low bidder on construction and maintenance projects must have an E-Verify Memorandum of Understanding (MOU) for Employers executed through the Department of Homeland Security’s (DHS) E-Verify system.

If you have any questions, you may contact Christina Calvo (512) 571-2490.

Sincerely,

Michael D. Bryant
